

ATTACHMENT A

Agency	Bureau	Name	Description	Description of Respondents	Number of Respondents	OMB Control Numbers	Completion Date	Post 10/2003	Electronic Signature
DOC	NOAA	Marine Recreational Fishing Statistics Survey	Recreational fishermen are surveyed to provide statistics for fishery management purposes.	Recreational fishermen	585,382	0648-0052	Never	Telephone and personal interviews are more effective for data collection	No
DOC	NOAA	Fishing Vessel Identification	Fishery vessels in regulated fisheries must display the vessel number in three locations.	Commercial fishermen in regulated fisheries	22,213	0648-0350 0648-0355 0648-0358 0648-0373	Never	No information is submitted	No
DOC	NOAA	Large Pelagic Fishing Survey	Recreational fishermen are surveyed about catch and effort related to large pelagic species.	Recreational fishermen	20,000	0648-0380	Never	Telephone and personal interviews are more effective for data collection	No
DOC	NOAA	Northeast Region Operator Permit Applications	Commercial fishing vessel operators apply for permit to operate vessel.	Commercial fishermen in regulated fisheries	20,000	0648-0202	10/2002		Yes
DOC	NOAA	Highly Migratory Species Catch Reports	Fishermen submit catch reports from fishing trips.	Commercial fishermen in regulated fisheries	19,740	0648-0371	Unknown	Pilot program being conducted	Yes
DOC	NOAA	Northeast Region Vessel Permit Renewal	Fishermen apply to renew permits allowing them to fish in specified regulated fisheries.	Commercial fishermen in regulated fisheries	13,028	0648-0202	10/2002		Yes
DOC	NOAA	Cooperative Game Fish Tagging Report	Volunteer fishermen who tag fish file reports about the tagging.	Fishermen	12,000	0648-0247	Being analyzed		

Agency	Bureau	Name	Description	Description of Respondents	Number of Respondents	OMB Control Numbers	Completion Date	Post 10/2003	Electronic Signature
DOC	NOAA	Marking of Fishing Gear	Participants in certain managed fisheries are required to tag or otherwise mark the gear being used.	Commercial fishermen in regulated fisheries	11,317	0648-0202 0648-0351 0648-0352 0648-0353 0648-0357 0648-0359 0648-0360 0648-0364 0648-0373 0648-0375	Never	No information is submitted	No
DOC	NOAA	Alaska IFQ Shipment report	Registered buyers in the Individual Fishing Quota Program must submit a report on each shipment or transfer of fish before the fish leave the landing site.	Comercial fishermen in regulated fisheries	10,000	0648-0272	Being analyzed		Yes
DOC	NOAA	Alaska Request for IFQ Administrative Waiver	Participants in the Individual Fishing Quota Program may request waivers from several reporting requirements.	Comercial fishermen in regulated fisheries	10,000	0648-0272	Being analyzed		Yes
DOC	NOAA	Northeast Region Initial Vessel Permit Application	Applicants apply for a permit to participate in regulated fishery.	Commercial fishermen in regulated fisheries	10,000	0648-0202	10/2003		Yes
DOC	NOAA	Registration of Vessel or Aircraft Beacons	Citizens register emergency beacons they have purchased.	Vessel and aircraft operators, individuals	10,000	0648-0295	11/2002		Yes

Agency	Bureau	Name	Description	Description of Respondents	Number of Respondents	OMB Control Numbers	Completion Date	Post 10/2003	Electronic Signature
DOC	NOAA	Alaska Check-in/Check-out Reports	Fishermen and processors fax in reports when they enter or leave a reporting area, or when processing begins or ends.	Commercial fishermen and processors in regulated fisheries	8,280	0648-0213	01/1998		No
DOC	NOAA	Interviews of Shrimp Fishermen on the Southeast Region	Shrimp fishermen are interviewed about their fishing effort and the location of fishing.	Commercial fishermen	7,500	0648-0013	Never	Interviews are considered the most effective way to gather the data	No
DOC	NOAA	Application for Inspection Services	Seafood firms wanting to participate in NOAA's voluntary fee-for-service inspection program submit application information.	Seafood firms	6,652	0648-0266	01/2001		No
DOC	NOAA	Northeast Region Vessel Trip Report	Fishermen submit logbooks from fishing trips.	Commercial fishermen in regulated fisheries	6,266	0648-0212	10/2002		Yes
DOC	NOAA	Southeast Region Reef Fish/Mackerel/ Snapper-Grouper/ Shark Logbook	Fishermen submit logbooks from fishing trips.	Commercial fishermen in regulated fisheries	6,207	0648-0016	Being analyzed		Yes
DOC	NOAA	Southeast region Vessel Permit Applications	Applicants apply for a permit to participate in regulated fisheries.	Commercial fishermen in regulated fisheries	5,500	0648-0205	Unknown	The necessary permit application/renewal materials include vessel documentation and income tax verification that are not expected to be accessible online from the issuing agencies before 10/2003.	Yes

Agency	Bureau	Name	Description	Description of Respondents	Number of Respondents	OMB Control Numbers	Completion Date	Post 10/2003	Electronic Signature
DOC	NOAA	Capital Construction Fund Deposit/Withdrawal Report	Participants in the tax-deferral program must file reports on monies deposited to or withdrawn from special accounts.	Commercial fishermen	4,000	0648-0041	Being analyzed		Yes
DOC	NOAA	Submission of Alaska IFQ Cost Recovery Program Permit Holder Fees	Participants in the Individual Fishing Quota Program are assessed fees based on value of landings. Certain information is required to be submitted with the fee payment.	Commercial fishermen, registered buyers	4,000	0648-0398	Being analyzed		Yes
DOC	NOAA	Highly Migratory Species No-Fishing Reports	Participants in this fishery must file reports if they have not fished during a month.	Commercial fishermen in regulated fisheries	3,540	0648-0371	Unknown	This may be a finite requirement, and electronic option will be considered if it is continued.	
DOC	NOAA	Application for Alaska License Limitation Program	Applicants apply for a permit to participate in regulated fisheries.	Commercial fishermen in regulated fisheries	3,450	0648-0334	Being analyzed		Yes
DOC	NOAA	Navigation Chart Corrections	Citizens suggest corrections to nautical charts.	Boaters	3,000	0648-0022	8/2001		No
DOC	NOAA	Referenda Votes in Vessel Buyback Programs	Fishermen in a fishery conducting a vessel buyback program to reduce participation in the fishery are invited to submit bids for leaving the fishery.	Commercial fishermen	2,800	0648-0376 0648-0413	Being analyzed		Yes

Agency	Bureau	Name	Description	Description of Respondents	Number of Respondents	OMB Control Numbers	Completion Date	Post 10/2003	Electronic Signature
DOC	NOAA	Northeast Region Notification of Lost Lobster Trap Tags and Request for Replacement	Participants in the Federal lobster fishery are required to tag their traps. Lost tags must be reported and replacement tags requested.	Commercial fishermen in regulated fisheries	2,700	0648-0202	Never	Not applicable - trap tags are purchased through a government-designated vendor	
DOC	NOAA	Label and Specification Reviews	Companies using NOAA's voluntary fee-for-service inspection services and who want to place official grade markings on their products must submit the labels and specifications for approval.	Seafood firms	2,624	0648-0266	01/1990		
DOC	NOAA	Invitations to Bid in Vessel Buyback Programs	Fishermen in a fishery conducting a vessel buyback program to reduce participation in the fishery are invited to submit bids for leaving the fishery.	Commercial fishermen	1,600	0648-0376	Being analyzed		Yes
DOC	NOAA	Small-Craft Facility Questionnaire	Marina operators submit revisions to small-craft chart facility information.	Marina operators	1,600	0648-0021	4/2003		No
DOC	NOAA	Alaska Application for Transfer or Lease of Quota Share in IFQ	Participants in the Individual Fishing Quota Program must request approval to transfer or lease quota shares.	Commercial fishermen in regulated fisheries	1,500	0648-0272	Being analyzed		Yes

Agency	Bureau	Name	Description	Description of Respondents	Number of Respondents	OMB Control Numbers	Completion Date	Post 10/2003	Electronic Signature
DOC	NOAA	Monkfish Bycatch Permits	Fishermen without limited access permits but wishing to retain monkfish caught may apply for a bycatch permit.	Commercial fishermen	1,412	0648-0375	10/2003		Yes
DOC	NOAA	Requests for Additional Trap Tags in the Northeast Lobster Fishery	Participants in fishery request additional tags for their traps.	Commercial fishermen in regulated fisheries	1,350	0648-0202	Never	Not applicable - trap tags are purchased through a government-designated vendor	No
DOC	NOAA	Annual Processed Products Report	Fish processors report on their annual products processed.	Fish processors	1,340	0648-0018	Being analyzed		No
DOC	NOAA	Monthly Report of Products in Cold Storage	Participating cold storage warehouses are requested to submit monthly data on the quantity of fish and shellfish held in storage.	Fish processors	1,320	0648-0015	Being analyzed		No
DOC	NOAA	Submission of Sablefish Tag Recovery Information	Persons catching tagged sablefish are requested to submit information on location, etc., of recovery.	Fishermen	1,200	0648-0276	Never	Tags need to be physically returned	No

Agency	Bureau	Name	Description	Description of Respondents	Number of Respondents	OMB Control Numbers	Completion Date	Post 10/2003	Electronic Signature
DOC	NOAA	Tuna Captains' Statements	If tuna were harvested outside the eastern tropical Pacific Ocean it cannot be imported unless accompanied by a Captain's statement certifying that no purse seine nets were intentionally deployed on dolphins during the voyage.	Commercial fishermen	1,200	0648-0335	10/2003		Yes
DOC	NOAA	Annual Financial Statement for Fishery Finance Program	Persons who have obtained a loan from the program must file annual financial statements.	Commercial fishermen in regulated fisheries	1,080	0648-0012	Being analyzed		Yes
DOC	NOAA	Alaska Application for Additional IFQ Card for Hired Skipper	All persons harvesting Individual Fishing Quota (IFQ) Program species must possess an IFQ card. Permit holders may request additional cards for hired skippers.	Commercial fishermen in regulated fisheries	1,000	0648-0272	Being analyzed		Yes

Agency	Bureau	Name	Description	Description of Respondents	Number of Respondents	OMB Control Numbers	Completion Date	Post 10/2003	Electronic Signature
DOC	NOAA	Alaska Application for Quota Share/IFQ Transfer Eligibility Certificate	Quota shares in the Individual Fishing Quota Program can only be transferred to persons who meet certain standards for fishery participation. Persons wishing to obtain a certificate showing them to be eligible for transfers must file an application.	Commercial fishermen in regulated fisheries	1,000	0648-0272	Being analyzed		Yes
DOC	NOAA	Alaska IFQ Identification of Ownership Interest	Corporations and partnerships must submit more detailed eligibility information than individuals for inclusion in the Individual Fishing Quota Program.	Commercial fishermen in regulated fisheries	1,000	0648-0272	Being analyzed		Yes
DOC	NOAA	Alaska IFQ Registered Buyer Application	Applicants apply for a permit to participate as a register buyer in the Individual Fishing Quota program.	Fish dealers in regulated fisheries	1,000	0648-0272	Being analyzed		Yes
DOC	NOAA	Swordfish Certificate of Eligibility	Imports of swordfish must be accompanied by a certificate showing that the fish meet standards for entry into the U.S.	Fish importers in swordfish fishery	1,000	0648-0363	Being analyzed		Yes

Agency	Bureau	Name	Description	Description of Respondents	Number of Respondents	OMB Control Numbers	Completion Date	Post 10/2003	Electronic Signature
DOC	NOAA	Highly Migratory Species Cost Data Reports	Participants in the Atlantic Highly Migratory Species fishery are requested to submit cost and earnings information about their trips.	Commercial fishermen in regulated fisheries	987	0648-0371	Unknown	Pilot program being conducted	Yes
DOC	NOAA	Northeast Region Dealer Reports	Dealers report types and amounts of fish purchased. Mandatory in regulated fisheries, voluntary for others.	Fish dealers in regulated fisheries, fish dealers	882	0648-0229	10/2002		Yes
DOC	NOAA	High Seas Fishing Vessel Logbook	High seas fishermen submit logbooks from fishing trips.	Commercial fishermen	550	0648-0349	Being analyzed		Yes
DOC	NOAA	Alaska Daily Fishing Log	Fishermen submit logbooks from fishing trips.	Commercial fishermen	515	0648-0213	Being analyzed		Yes
DOC	NOAA	Atlantic Bluefin Tuna Daily Reports	Fish dealers must submit a daily report on any bluefin tuna purchased.	Fish dealers	465	0648-0239	Being analyzed		No
DOC	NOAA	Tagging and Labeling of Atlantic Bluefin Tuna	Bluefin tuna must have tags attached and the tag numbers recorded on shipping labels.	Fish dealers	465	0648-0239	Never	No information is submitted	No
DOC	NOAA	Alaska Daily Fishing Log	Fishermen submit logbooks from fishing trips.	Commercial fishermen in regulated fisheries	355	0648-0213	Being analyzed		Yes

Agency	Bureau	Name	Description	Description of Respondents	Number of Respondents	OMB Control Numbers	Completion Date	Post 10/2003	Electronic Signature
DOC	NOAA	Alaska Product Transfer Reports	Motherships, catcher-processor vessels, and shoreside processors are required to submit a report for each shipment or receipt of fishery products.	Commercial fishermen, processors	310	0648-0213	Being analyzed		Yes
DOC	NOAA	Alaska Weekly Production Reports	Fishermen and processors submit information on the types and amount of fish products produced.	Commercial fishermen, processors	310	0648-0213	01/1998		No
DOC	NOAA	Southeast Region Shark Dealer Reports	Fish dealers report on the number of sharks purchased from fishermen.	Fish dealers in shark fishery	237	0648-0013	09/2003		Yes
DOC	NOAA	Southeast Region Report on Swordfish Imports.	Dealers must report on the number of swordfish imported.	Fish dealers	225	0648-0013	Being analyzed		No
DOC	NOAA	Alaska Buying Station Cumulative Log	Buying stations must keep daily logs on their activities and submit those logs to NOAA.	Fish dealer in regulated fisheries	217	0648-0213	Being analyzed		No

Agency	Bureau	Name	Description	Description of Respondents	Number of Respondents	OMB Control Numbers	Completion Date	Post 10/2003	Electronic Signature
DOC	NOAA	Southeast Region For-hire Headboat Log	Operators of for-hire headboats submit logbooks from fishing trips.	Commercial fishermen in regulated fisheries	163	0648-0016	Never	Logbooks are typically directly collected by NMFS port samplers and there is considerable/valuable interaction between them and the boat captains (i.e., the samplers assist in completing the logbooks).	Yes
DOC	NOAA	Alaska Daily Cumulative Production Log for Shoreside Processors	Processors report types and amounts of fish products produced.	Fish processors in regulated fisheries	142	0648-0213	01/2000		Yes
DOC	NOAA	Alaska Daily Cumulative Production Log for Catcher/Processors	Catcher/processor vessels must keep daily logs on production activities and submit those logs to NOAA.	Commercial fishermen and processors in regulated fisheries	123	0648-0213	10/2003		Yes
DOC	NOAA	Southwest Region Pelagic Longline Logbook	Fishermen submit logbooks from fishing trips.	Commercial fishermen	115	0648-0214	10/2003		Yes
DOC	NOAA	Monkfish Dealer Landing Reports	Dealers permitted to receive monkfish must file weekly reports of all fish landed and received.	Fish dealers in monkfish fishery	100	0648-0375	10/2003		Yes

Agency	Bureau	Name	Description	Description of Respondents	Number of Respondents	OMB Control Numbers	Completion Date	Post 10/2003	Electronic Signature
DOC	NOAA	Alaska Daily Production Reports	When requested by NOAA, motherships, catcher/processors, and shoreside processors must submit daily reports on their production activities.	Fish processors in regulated fisheries	75	0648-0213	Being analyzed		No
DOC	NOAA	Northeast Region Shellfish Log	Fishermen submit logbooks from fishing trips.	Commercial fishermen in regulated fisheries	75	0648-0212	10/2002		Yes
DOC	NOAA	Alaska Daily Cumulative Production Log for Motherships	Motherships must keep daily logs on production activities and submit those logs to NOAA.	Motherships in regulated fisheries.	37	0648-0213	Being analyzed		Yes
DOC	NOAA	Alaska Daily Cumulative Production Log for Catcher/Processors in IFQ Fishery	Catcher/processor vessels report types and amounts of fish products produced.	Commercial fishermen and fish processors in regulated fisheries	35	0648-0213	Being analyzed		Yes
DOC	NOAA	Fisheries Certificate of Origin	Persons importing tuna must have documentation that the tuna meet standards for importation.	Fish importers, brokers, processors	32	0648-0335	10/2003		Yes
DOC	NOAA	Northeast Region Shellfish Dealer Reports	Dealers purchasing shellfish from regulated fisheries are required to submit reports on their purchases.	Fish dealers in regulated fisheries	20	0648-0229	10/2002		Yes
DOC	NOAA	Pacific Tuna Purse Seine Logbook	Fishermen submit logbooks from fishing trips.	Commercial fishermen in regulated fisheries	12	0648-0148	10/2003		Yes

Agency	Bureau	Name	Description	Description of Respondents	Number of Respondents	OMB Control Numbers	Completion Date	Post 10/2003	Electronic Signature
DOC	NOAA	Data Reports From Northwest Region Experimental Fishing Permit Holders	Persons holding experimental fishing permits must file reports on the activities under the permit.	Commercial fishermen in regulated fisheries	9	0648-0203	Never	The electronic option would be more burdensome and less convenient for vessel owners. It is a voluntary program.	No
DOC	NOAA	Wreckfish Coupons for Tracking ITQ's	Participants in this fishery are assigned Individual Transferable Quotas (ITQs). Fishermen landing wreckfish must have coupons to cover the amount of fish; the dealer and fishermen mark the coupon and submit it.	Commercial fishermen, fish dealers	8	0648-0205	Never	Wreckfish coupons are specially numbered and printed for NMFS. Online issuance of those coupons unduly increases the potential for fraud/counterfeiting.	No
DOC	NOAA	Alaska Region Certified Observer Weekly Deployment and Logistics Reports	Certified observer companies must submit weekly information on their deployments of observers and related information.	Fishery observer companies	5	0648-0318	Being analyzed		No
DOC	NOAA	Southwest Region Crustacean Logbook	Fishermen submit logbooks from fishing trips.	Commercial fishermen in regulated fisheries	5	0648-0214	10/2003		Yes
